

APARTMENT DEPOSIT PROCEDURE AND CONFIRMATION

To insure that the particular style or location of apartment that you desire is held for you, or to be placed on a wait-list, please follow these guidelines:

Upon receipt of a \$250.00 deposit, either an available apartment of your choice will be reserved or you will be placed on wait-list.

This deposit will be 100% refundable up until the initial nursing assessment. If a resident chooses not to move-in after the initial nursing assessment, the deposit will not be refunded. If the initial assessment determines that the resident is not appropriate the deposit will be fully refunded.

Upon admission to The Plaza, the \$250.00 deposit will be applied to your community fee. The community fee is a one time non-refundable fee of \$2,500.

Your \$250.00 deposit is refundable at any time should you wish to no longer remain on the wait list.
